

Club Recorder's Annual Report Season 2013 - 2014

We have had a very successful year with a big improvement in fish tagged for the season. A number of Mr Fisho members joined this year and embraced the club and figured in many of the fish tagged.

Not many fish have been captured, although I know of a Mako and Mahi Mahi that tasted very good. Next season is looking really great.

The following is a list of the 59 tagged fish processed through the recorders desk this season:

Marlin Black	10	(0)	Marlin Blue	3	(0)
Marlin - Striped	8	(1)	Sailfish	10	(0)
Tuna Southern Bluefin	11	(1)	Tuna Longtail	1	(0)
Tuna Yellowfin	1	(2)	Tuna Skipjack	1	(0)
Shark - Whaler	1	(1)	Shark Gummy	1	(0)
Mackerel Spotted	2	(0)	Mahi Mahi	4	(0)
Albacore	2	(0)	Yellowtail Kingfish	2	(0)
Trevally Golden	1	(0)	Trevally Goldspot	1	(0)

(figures in brackets last year)

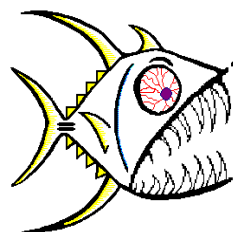

The following is a list of the 3 captured fish processed through the recorders desk this season:

Yellowtail Kingfish 3 (8) figures in brackets last year

Congratulations to our Trophy winners and congratulations all those who tagged or captured a qualifying fish and I wish everyone tight lines and fair winds for the coming season.
