

Club Recorder's Annual Report Season 2015 - 2016

We have had another great year. Many members have again got amongst the fish. This includes our junior members Will and Sam Cunningham representing us in the GFAA National Team taking out Champion Team in the NZ Kingfish Tournament in the Bay of Islands, well done boys. All in all a successful year although numbers are down with less fish tagged.

On the captures front 15 fish were weighed in this season 5 up from last year. I know of a number of captures that were unable to be weighed on registered scales. The President, Secretary and I as Club Recorder have decided to allow these to be included in our trophy list. We hope to source a set of scales that members may use and hope we can sort this out in the near future. Well done to those anglers.

The following is a list of the 72 tagged fish recorded for this season.

Marlin Black	32	(24)	Marlin Blue	1	(0)
Marlin - Striped	53	(53)	Sailfish	2	(17)
Shark - Mako	2	(7)	Shark Whaler	1	(0)
Mahi Mahi	4	(4)	Short Billed Spearfish	1	(0)

The following is a list of the 15 captured fish recorded for this season.

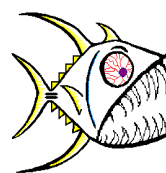

Marlin - Striped	1	(1)	Yellowfin Tuna	2	(1)
Short Billed Spearfish	1	(0)	Yellowtail Kingfish	8	(2)
Southern Bluefin tuna	3	(1)			figures in brackets last year

This will be my last report as club recorder. I started assisting with recording in 2000/2001 season and became full time recorder from the 2004/2005 season, during this time representing the club as GFAV State Recorder for 6 seasons. Stephanie Harris has kindly put up her hand to take on the role. I now happily hand over to Steph and wish her well in the role and urge all members to give her your full support and be patient during her learning process. I will help in the background as needed.

Congratulations to our Trophy winners and congratulations to all those who tagged or captured a qualifying fish and I wish everyone tight lines and fair winds for the coming season.

Rick Strickleton
